Internship
Innovation and Acceleration

ThinkSport | Acceleration program for athletes

START DATE	**As soon as possible**
DURATION	**6 months**
REPORTS TO	**Chief of Innovation**
COMPENSATION	**Paid internship**

About ThinkSport

ThinkSport is a non-profit association promoting innovation in sport and physical activity. It connects sports organisations, businesses, start-ups, academic institutions and research centres in Switzerland and internationally.

Its initiatives include **THE SPOT**, the international annual event bringing together key players in sport to explore innovation and build partnerships, **Sport Innovation Challenges**, solving real-world challenges for the sports industry and **acceleration programs** for start-ups and athletes.

The role

We are looking for a proactive and organised intern to support the delivery of the acceleration program for athletes.

KEY RESPONSIBILITIES

- Animate communication channels
- Assist with administrative tasks
- Support event planning, logistics and operations
- Update systems
- Contribute to ThinkSport team meetings

REQUIREMENTS

- Basic understanding of the sport ecosystem and the roles of key organisations, such as the IOC and international sports federations.
- Fluent in French and English. Spanish is a plus
- Proficiency in Microsoft Office and digital tools inc AI
- Organised, flexible, proactive and creative
- Strong team spirit and enthusiasm for sport and innovation
- Valid authorisation to work in Switzerland

What we offer

01

Hands-on experience in international sport and event management

02

Exposure to the sport innovation ecosystem (federations, businesses, start-ups and academic institutions)

03

The opportunity to contribute to innovative projects in a dynamic, growing organisation

04

A collaborative team and an inspiring working environment

How to apply

Applications open from **2 to 15 November 2026**.

Send your application resume and motivation letter to **info@thinksport.org** with “Internship Innovation and Acceleration Application” in the subject line.
